One day after a program is broadcast it will be available online.

To find the URL, visit <http://streams.wpsu.psu.edu/> the day after the program airs. The programs are sorted by air date, so recent programs appear at the top of the list. Click on the video name to watch the stream.

Once the page with the program stream loads, copy the Web address at the top of the page, that will be the permanent link for this program stream. (Note images to the left.)
